From hereon, Association is used when referring to the Emeriti Association. Membership in the OSU Emeriti Association is open to all retired employees of OSU, spouses of current or deceased Emeriti members, retired federal personnel associated with OSU, the Board of Regents, and retirees from other academic institutions within the Oklahoma A&M System. Emeriti Council

HIGHLIGHTS OF 2017

OSU Emeriti Association

Anne Matoy, 2017 Association President

The year 2017 provided numerous opportunities for the Emeriti Association to meet its organizational purpose "to enhance and encourage the educational, professional, and social interactions among retirees at Oklahoma State University and to interact with other individuals and groups in ways that enhance the education and welfare of retired persons."

Accomplishments were not possible without the dedication and commitment of many individuals including the Emeriti Council officers and members, committee chairs, and Council appointees to University and faculty committees. Many on committees have continued to serve through multiple years.

The Emeriti Association financial condition continues to be solid. As of December 31, 2017, there were expendable assets of \$35,750. Our endowed scholarship fund with the OSU Foundation enabled us to award our second scholarship. This year the award went to Devin Peck, a sophomore from Shawnee, majoring in Chemistry.

We received a large monetary gift from Kathryn McCollom in honor of Kenneth McCollom, who was one of our Emeriti Association founders. A study group has been appointed to consider how best to use the donation. We were fortunate to receive several other monetary gifts at the end of the year. Additional contributions are always welcome, and are tax deductible.

Membership decreased slightly, and at the year-end was at 541 members. After eighteen months of not receiving new retiree information due to a major changeover in the University computer system, we were finally able to secure new retiree information on a regular basis. We urge you to invite prospective members and let both recent and not so recent retirees know of our fun, fellowship, and continuing opportunities for service to the University and the community. Unfortunately, we lost 28 members as is reflected in our Memoriam listing.

The Emeriti Association close relationship with the University keeps us up to date on happenings and changes that can affect retirees. We are fortunate to have Emeriti Association representatives on University and faculty committees.

We greatly appreciate the support from the Office of Provost. The Provost graciously covers many of our expenses and administrative support by Misty Burk who is primarily an OLLI assistant. Misty is invaluable to our communications efforts with Emeriti members through the newsletters, monthly updates, and handling the monthly dinner reservations among other duties.

The Alumni Center provides valuable support by providing space for an office and the Emeriti Council Suite. We are pleased that the Emeriti Ambassadors are able to assist the Alumni Center during football season with greeting visitors. At the close of the year, we began

discussions on best utilization of resources to meet both Alumni Center and Emeriti Association needs, and plan on an update to our current agreement in the next year.

The Ambassadors also assist at both spring and fall commencement exercises. With multiple sessions, plenty of volunteers are needed to pass out commencement programs and direct attendees. Commencement is always a wonderful celebration for students and their families. Being able to share in student success is a great experience.

The Emeriti interest groups Technology, Making the Most of Retirement, Armchair Travel Series, and Investment Club continue to provide fun and fellowship as well as new avenues for continual learning. Whether it being an update on all things digital, armchair cruising from Cape Town to Singapore, learning about new volunteer opportunities and services available in Stillwater, or investment know how, there is always something new to learn and do through Emeriti Association programs.

Emeriti Association members enjoyed two trips during the year. Pioneer Woman fans were enthralled with a trip in April to Pawhuska to eat and shop at the Pioneer Woman Mercantile, and later tour the Cathedral of the Osage, a 1910 French Gothic-styled church known for its stained glass windows. On a side tour to view the grasslands, a buffalo greeted our travelers. The December trip to Branson featured four shows and a light display with time for shopping.

The monthly dinner meetings provided programs that were both entertaining and informative. The Meet and Greet time before the dinners allowed yet another way to make new friends and renew acquaintances. While attendance varied, we averaged 85 attendees at the nine regular dinner meetings. Food and gratuity costs nearly matched the ticket price, with the Emeriti Association covering additional charges for setup, AV, etc.

It has been my pleasure to serve as President during both 2016 and 2017. The Emeriti Association has an excellent team in place for 2018. I know you will continue to volunteer and support its many endeavors.
