Wellness Center Fee Waived for Emeriti Faculty

Dr. Lee Bird, the Vice President for Student Affairs, has agreed to cover the membership fee for the Wellness Department (Colvin Rec Center and Seretean Wellness Center) for faculty and staff who have retired from OSU. The membership will cover the 2013-2014 academic year beginning Sunday, May 5th. The cost of the program will be reviewed after one year and continued if possible. The Division of Student Affairs does so in recognition of the hard work and sacrifice of our faculty and staff.

Notes from the President, *Dennis Bertholf*

Thank you to David Lewis for leaving the Emeriti Association in such good shape.

Our assistance to the Alumni Association and help at graduation are continuing, and our bond with the rest of the University is strong.

The technology group attendance has been good, the trip to Wichita to see the church basement ladies was

sold out, attendance at the First Monday dinners has been good and the Investment Club added new members last year.

Thanks to the work of Zane Quibble, we have started a new interest group, Making the Most of Retirement, which will be partnering with the Stillwater Library. This partnership will allow us to reach out to the community at large.

We started a 90 plus club so that members who are 90 years old or older can attend the Monday night dinners free of charge.

Starting this summer, retirees will not have to pay to use the Colvin or Wellness centers.

I am looking forward to another good year for our association.

New Special Interest Group for Retirees

The OSU Emeriti Association and the Stillwater Public Library are partnering to offer a new special interest group (SIG), "Making the Most of Retirement," for retirees in the Stillwater community. The group meets at 1:30 on the third Wednesday of each month in one of the meeting rooms at the Stillwater Public Library. The free sessions last one hour and open to all retirees in the Stillwater community. The goal of this SIG is to make a retirement experience more fulfilling and satisfying for the community's retirees.

90 Plus Club

To begin the April MND, we celebrated birthdays of our 90 Plus members.

What an honor have 16 of our own who have reached the age of 90 and more and 11 were able to attend.

To celebrate this year, the honorees were assigned a host to provide transportation, served birthday cake, given personal cards and a beautiful Gerber Daisy to take home. Also, the announcement was made that the honorees are entitled to be the guest of the Association at ALL Monday Night Dinners in the future. Their presence adds a spark to the evenings as we socialize and fellowship together.
