TIAA-CREF

In November, TIAA-CREF will be introducing updates and enhancements to the OSU/A&M Retirement Program. A presentation specifically for Emeriti Association members will be held October 17th, from 2:30—4:30 PM in Room 417 of the Student Union—Exhibit Room 2 on the Stillwater Campus. The presentation will include a review of the upcoming Retirement Program enhancements and answer any questions there may be.

Mark the date on your calendar and plan to attend!

In addition, a detailed Retirement Program Guide will be mailed to your home in early October. This will provide you the latest contact information, as well as details about new funds and new personalized services. Please note that the upcoming changes will not disrupt any established distributions you may receive through the Retirement Program, nor participation in the Oklahoma Teachers' Retirement System.

TIAA-CREF is also pleased to report that, in addition to two individual advisors now located in Stillwater, there is a third in Oklahoma City. In addition, TIAA-CREF has just hired (transfer from the NC office) a financial consultant who will be full time here in Stillwater also. Two of the four Oklahoma consultants are OSU grads and are extremely pleased to be back in Stillwater.
