MONDAY NIGHT DINNER CHANGES

The monthly First Monday Night Dinner of the Emeriti Association is a favorite event; getting together with friends in a beautiful place for wine, great dinners and programs, and of course, with the best family of friends---our OSU family. As discussed in previous updates and newsletters, the cost of the food for these dinners has increased significantly while the price we charge for the meal has not.

The Alumni Center graciously provides us with a room at no cost, but there are still costs associated with equipment usage which are paid by the Emeriti Association. However, for quite some time, the Association has also had to outlay funds to subsidize the cost of meals and the amount is becoming significant.

Based upon the research and analysis done by the Catering Committee and discussion with the membership, the Council has voted to approve an **increase in cost per person to \$15. This increase will take affect at the March 2, 2015 dinner.**

A few copies of the Catering Committee's analysis and report have been placed on each table. If you would like a copy and were not able to secure one, please contact one of the member of the Catering Committee and they will provide you with one.

Catering Committee: Sharon Brown, Andrea Arquitt and Judy Lewis.
