With the end of the tax year approaching, it’s a great time to consider a gift to the OSU Emeriti Association Endowed Scholarship Fund. This is fund number 20-91150 at the OSU Foundation. Please join other Emeriti Association members in helping deserving students achieve their dreams.

Paul and Alice Richardson recently made a generous contribution to the scholarship fund to honor the memory of four colleagues who passed away this year: Robert Henrickson, Eddie Basler, Ray Eikenbary, and Ed Long. We’re very grateful to the Richardsons for their generosity and for remembering their friends in this way.
Did you know that the Emeriti Association honors members who are 90+ years with a free meal at all the Monday Night Dinners? There is one catch, you’ll have to let us know since we don’t maintain birthday records. Just tell us when you check in and we’ll note it for future meetings.

**BlueCross BlueShield (BCBS) Rx Plan**

There was an article within the Stillwater Newspress on November 26, 2017 stating “Some BCBS members losing drug coverage”. The article is in reference to Medicare Advantage drug plans and we want to ensure that you know this does not affect members of the OSU BCBS Group Rx plan. If you are not covered under the OSU Group Rx plan, but do have a BCBS Medicare Advantage Plan or any other individual BCBS Rx plan, you may want to reach out to BCBS to ensure your Rx coverage is not interrupted. Retirees are always welcome to contact OSU Benefits with any questions or concerns at 405-744-5449.
