UPDATE

The mission of the OSU Emeriti Association is to provide programs and activities that contribute to the ongoing educational and interpersonal interests of retirees and provide continued interaction with the University and University affairs.

Emeriti Ambassadors – An Opportunity for You

One group of Emeriti members assist the Alumni Association with special events such as hosting football game days and commencement ceremonies, working at the reception desk, helping with the Grad Finale and any other events as requested. Currently 24 faithful Ambassadors respond as needed. However, more are needed especially at the May commencement. President Hargis always gives a hearty thanks to the Emeriti at the beginning of each ceremony. Appreciation also comes from the registrar's office who is responsible for setting up and making sure all runs smoothly.

If you would like to become an Emeriti Ambassador, please contact Sharon Brown. The Alumni Association has a great staff to work with and it is always a joy to be around students and alumni friends.

OLLI @ OSU is a program of educational courses for people who want to enrich their lives through new learning experiences. Courses on a variety of topics are offered each semester to retirees and other adults in the community. Instructors are qualified volunteers from various career backgrounds, including academia, business, the arts, and government. Our students have a genuine interest in continuing their learning experiences and intellectual excitement. Sponsored by the Osher Lifelong Learning Institute and the OSU College of Education, OLLI @ OSU is a sister organization of the OSU Emeriti Association.
