Monday Night Dinners are moving for the summer.

We’ve made reservations at Hideaway Pizza for the July 10 and August 7 dinner meetings. There is no planned program just good food and conversation starting at 6 pm.

Dinner reminders will be sent and reservations will be taken just like normal. It will still be important to RSVP because we have a minimum # to meet to reserve the room. There will be a buffet set up with Specialty Pizzas, Salad, and Drinks.

Catering Update

This is my second year of coordinating catering for the Monday night dinners. First, thank you to all who have provided feedback on the meals. Your feedback has been welcomed by the caterers and has been very helpful to me. Recognize, however, that none of our caterers will satisfy everyone’s specific tastes and preferences every time.

I have varied our caterers and our dinner venues. We meet at Meditations twice a year (May with OLLI and the December Christmas dinner). Feedback was very positive about meeting in the Student Union and we may try to meet there again. All other dinners have been in the Conoco-Phillips Alumni Center.

As for caterers, we have had Klein’s Catering, Celebrations Catering, and Mexico Joe’s Catering each twice a year, once in the spring and again in the fall. For two recent dinners, we changed the menu to a slightly higher price menu and the different menus were well received.

I should note that food prices continue to rise. To date, the OSU Emeriti Association has been content to subsidize the ticket prices each month. Finding menus that stay within or close to our $15 per person ticket prices is limiting.

Again, thank you for your feedback and for the many positive comments I have received. If you have other suggestions, please contact me.
