UPDATE

## ASSOCIATION NEWS

Outside the Emeriti Suite is a banner featuring some of the Association's key initiatives. It is in need of an update and we are looking for pictures of Association activities. While the key activities have not yet been identified, several have been suggested: Ambassadors, Interest Groups, Scholarship, Travel, Dinner Meetings, etc. Please let Judy Lewis or Anne Matoy know if you have photos that could be copied and used on the display.

The Financial Review Committee completed their review of the 2015 financial records and found no irregularities. They concluded, "We appreciate the accuracy and completeness of the records supplied to us by Geneva Dugger, Past Treasurer, and Ron Elliott, Current Treasurer. Their dedication, patience and ability to deal with sometimes confusing Credit Union statements and the Endowment Account Activity Reports are commendable." And thanks to Bob Terry and Kent Olson for serving on the Review Committee.

Directories were mailed two weeks ago. Many thanks to Sharon Nivens and Kay Keys of the Membership Committee.

## MONDAY NIGHT DINNERS

At the April Council meeting, Russ Wright announced that our June 6 Association Meeting at the Alumni Center will feature Carol Headrick with a presentation of Helen Hayes. Don't forget to make your reservation a week in advance so we have an accurate count.

The Association does not have meetings in July or August. In recent years, members have requested an informal get-together without a program. Attendees pay directly for their meals. This will be discussed at the June dinner meeting to see if we have adequate interest for such get-togethers. The dates would be July 11 and August 8, which would be a week later than usual (due to summer holidays).

Reminder – please complete the very brief Meal Evaluation Survey put on your table each at Association Meeting. The survey provides valuable feedback for the Catering and Reservations Committee and the caterers. Just leave it on the table when you leave.

### **Emeriti Ambassadors To Help With Commencement**

A key contribution of the Emeriti Association is the assistance members provide at Commencement Ceremonies. This year Commencement is on Saturday, May 7, and has expanded to three separate events starting at 9a, 1p and 4p. Volunteers need to arrive an hour in advance. A few additional volunteers would be helpful especially for the ceremonies in the afternoon. If you are able to help, or are willing to be on the back-up list, please contact Russ Wright (377-1670 or 612-2676).

This Emeriti contribution is much appreciated by the University and a good way that we show our appreciation for all the benefits we continue to receive. President Hargis is always kind to express his appreciation for our assistance during the ceremony.

### **Message from Bob Henrickson**

*I just received my 2016 Directory and was pleased to note again that you honored me by placing that picture in that issue. Sorry I will not be able to continue sharing with you but will always think of the Association and its members. Thank you very much for the honor provided me at the last meeting and the gift to the Medical Foundation. With fond memories, always your friend, Bob*

## May 2016 Calendar
