UPDATE

## OSU Engage

OSU is piloting a new program for students designed to meet the needs of community members with the time and talents of students and staff. OSU Engage hopes to serve those in need, such as older adults and individuals with disabilities in the Stillwater area and needs your assistance in launching this program.

The tasks to be performed may vary based on the needs of people to be served. Generally, these should be one-time tasks, although a task could be repeated. Examples might include: mowing a lawn, raking leaves, cleaning windows, putting items in the attic, trimming a bush, running a bingo game at a nursing home, shopping help, stocking shelves at a food bank. Service needs will be posted online making it easy for students and staff to browse needs and time commitments before agreeing to perform the task. Only after a student selects a specific task will the name and address of the individual requesting help be provided.

As a brand new pilot program, Student Services is eagerly looking for requests. Requests can be emailed through the web at <http://volunteer.okstate.edu/OSUE-request-form> or by calling Joyce Montgomery, Student Activities Officer at 405-744-5145.

### Faculty Council and University Committees

Emeriti serve on Faculty Council and University Committees sharing their experience and expertise. Presently we are looking for volunteers to serve on the Academic Standards and Policies, Diversity Advisory, Learning Resources/Student Affairs, Long Range Planning and Info Technology and University Intellectual Property Committees. Emeriti members actively participate as Committee members and report back to the Emeriti Council any items of particular interest to emeriti members.

## Emeriti Ambassadors

During football season, Emeriti members greet visitors at the Alumni Center. It is a great opportunity to give back to the Alumni Association in recognition for the many services we enjoy in our Emeriti Center. And it is a great way to meet OSU alumni and friends. If you have a few hours to spare before a game, please volunteer by contacting Sharon Brown, who chairs our Ambassador Committee.

## PARKING

As with each new academic year, there are many changes on campus and some may have affected your favorite parking spot.

Parking on campus on surface lots after 5 pm does not require a permit. However, reserved and handicapped spaces are still limited. The lot immediately south of Bennett Chapel is now reserved for construction personnel, but the further south commuter lot will be open until January 1. There is still parking in back of the Campus Fire Station and on Morrill Avenue.

Your 2015-16 parking permit did expire in August so if you want to park on campus during the day you will need a 2016-17 permit. As you probably know, the University is in transition to a new computer system that has affected the personnel information available to auxiliary services, such as Parking. If you experience difficulties in renewing your permit on line, please call Parking Services at 744-6525.

The Student Union offers discounted parking at the SU Garage. Emeriti are provided a 50% discount on hourly parking with a minimum charge of one hour at the current rate. Just present your Emeriti Association membership card to the Parking Attendant to receive the benefit.

### Emeriti Association Scholarship

We are pleased to announce that **Zac Wilson**, Junior in Civil Engineering from Tryon, Oklahoma, is the first recipient of our Emeriti Association Scholarship.

Donations to the OSU Foundation for this scholarship are always appreciated.
