OLLI @ OSU is a program of educational courses for people who want to enrich their lives through new learning experiences. Courses on a variety of topics are offered each semester to retirees and other adults in the community. Instructors are qualified volunteers from various career backgrounds, including academia, business, the arts, and government. Our students have a genuine interest in continuing their learning experiences and intellectual excitement. Sponsored by the Osher Lifelong Learning Institute and the OSU College of Education, OLLI @ OSU is a sister organization of the OSU Emeriti Association.
