

Volunteer Opportunities

An important mission of the OSU Emeriti Association is to provide ongoing connections to benefit both the University and its retirees.

Emeriti Ambassadors

The Emeriti Association assembles a group of volunteer Ambassadors who greet visitors to the Conoco/Phillips OSU Alumni Center before football games, host the events, and serve at the reception desk.

At least two times each month, a group of Ambassadors gather in the Emeriti Suite to work with the Alumni staff preparing monthly and annual mail-outs. During this time, there is interaction with the staff as well as the students working for the Alumni Association.

Ambassadors also serve at Gallagher-Iba Arena, handing out programs and assisting families and graduates during multiple commencement and convocation ceremonies each semester.

Emeriti members are always welcome to become Ambassadors at any time and choose how they would like to participate. For more information, contact Sharon Brown at osusharon@gmail.com or 405-714-1208.
